### 2010 SUMMER SAILING PROGRAMS

Queen Anne's County Youth Sailing Classes offered by Corsica River Yacht Club  
(CRYC)

Building on the traditions of many years of teaching sailing, CRYC has designed an ambitious program for this summer to “educate our children in the sport of sailing, the techniques of seamanship, the observance of traditional yachting customs and courtesies, and the rules of good sportsmanship.” (CRYC Bylaws, Article I) Instructors are certified by US Sailing and will be instructing from the “Start Sailing Right!” manual. All sailing sessions are held at the Corsica River Sailing Center located at Ship Point on the Corsica River outside of Centreville.

#### Our Fleet

**The Optimist** is the largest junior racing fleet in the world and the international standard in junior instruction. The boat's simplicity and stability make it ideal for teaching young beginners while the popularity of the Optimist class makes the boat extremely challenging for pre-teen sailors. CRYC has a fleet of 10 Optimists to use for the summer program.

**The Club 420** is the most popular and versatile double-handed junior boat in North America. The 420 is sturdy and safe while providing challenge and crew coordination. The boat is best suited for sailors 10-16 years of age who are 90 pounds and up. CRYC has a fleet of 7 Club 420s for use in the summer program.

#### Our Programs

**Peewee Boating** - is a one week designed to give the youngest sailors in our program an introduction to sailing and the Corsica River. Instruction will be in Optimists, with two sailors per boat. The class is comprised of students ages 6-8. Emphasis will be placed on teamwork and enjoying everything that the Bay has to offer. Close-to-shore activities ensure fun and confidence for all participants.

**Junior Sailing Program** - This curriculum takes youngsters from any sailing level, and broadens their knowledge, skill and confidence. Competencies include successfully rigging a boat, capsizing without fear, learning to sail upwind, completing a first race, and participating in junior regattas. First timer sailors between the ages of 8-11 will learn the basics in a hands-on program in the Beginner Optimist session. Experienced sailors between the ages of 8-11 will enhance and refine their skills in the Intermediate and Advanced Optimists programs. Sailors ages 10 and up can sign-up for Beginner through Advanced courses using the double-handed 420s. All Advanced course sailors will participate in the Corsica River Yacht Club or the Rock Hall Yacht Club Jr. Regatta as well as other racing days during their course. Classes for Junior Sailing sessions are 9:00am to 3:30pm, Monday through Friday.

### Safety & Discipline

Class sizes are limited for safety and are filled on a first come, first served basis. Students must bring their own snacks or lunches and drinks. Keeping with a “going green” theme, a bottle will be provided to each student for their drinks. Also, students will need to carry out anything they bring in including their trash.

All participants in the program must pass a simple swim test given on the first day of instruction. Also, at all times while on the water, each sailor must provide and wear an approved personal flotation device (PFD). Shoes with positive closure on the toes must be worn at all times (no sandals no exceptions). Parents are expected to inform their children that proper self discipline is required while in the program. All sailors and parents will sign a Code of Conduct. Violations of safety or other program rules may result in disciplinary action including suspension or dismissal from the program without a refund. CRYC is committed to maintaining a safe and positive environment for young people.
